
Hoyle Court Primary School

Sport Premium Overview

Every child is a learner and can achieve

At Hoyle Court Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2015. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Total no of primary aged pupils between the ages of 5-11(September 2016)	280
Total amount of Sport Premium Grant received	£9360

We believe the grant has been used successfully and are very proud to have recently gained the Schools Games Kite Mark Silver Award

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At Hoyle Court Primary School we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

Physical Education:	
Raising standards of all our children in Physical education	
Objectives	Outcomes
To improve the quality of PE teaching	<ul style="list-style-type: none">Additional specialist coaches deliver sporting activities alongside our staff to support their knowledge of teaching PE to improve e.g. cricket coach, basketball coach, football coach, hockey coach.

Healthy Active Lifestyles:

Ensuring all our children have access to regular exercise

Objectives	Outcomes
To increase activity levels at breaks and lunchtimes	<ul style="list-style-type: none"> • Lunch time staff receive ongoing training to organise lunchtime games • Play equipment bought to enable games to be played at lunchtime and morning break • Pupils will be trained as Sports Leaders encouraging sport/ games
To increase the number of pupils who attend sports activities after school	<ul style="list-style-type: none"> • 101 pupils attended sports clubs after school in the Autumn term, 63 in the spring term (two clubs were cancelled due to weather conditions) and 93 in the summer term which is 34% of our pupils
To run holiday sports clubs	<ul style="list-style-type: none"> • These are now well attended and 113 pupils attended at least one day of sport during the holidays last year.

Competitive School Sport:

Increasing pupils' participation in extra- curricular sport

Objectives	Outcomes
Improve health and fitness by engaging more pupils of all ages in extra - curricular sport	<ul style="list-style-type: none"> • A varied programme of after school activities is be offered after school 5 evenings a week across the school year • Employment of sports coach to run these activities ensures high quality delivery of sports offered
To be a part of the sports partnership within the locality to enable pupils to participate in inter schools sporting competitions	<ul style="list-style-type: none"> • Pupils have had an increased opportunity to engage in competitive sport • Pupils will have the opportunity to participate in a wide range of sporting competitions with other schools such as football, Rugby, Hockey, Netball,
To support gifted and talented pupils to further develop their skills	<ul style="list-style-type: none"> • Entering school gymnastic competitions • Tennis coaching before school and some afternoons
