

In English we will be...

- Re-visiting modal verbs, subordinate and main clauses, conjunctions, adverbs, semi colons and colons.
- Planning, drafting and writing a persuasive letter to a Victorian workhouse.
- Writing a description of the workhouse.
- Writing a balanced argument on Sir Titus Salt – was he a hero or a villain?
- Continue our 'Reading Vipers' sessions weekly based on Oliver Twist.

In PE we will be...

- Learning new skills in 'Frisbee'

In PSHCE we will be...

- To understand what being part of a community means, and about the varied institutions that support communities locally and nationally.

In Art / DT we will be.....

- Discuss, evaluate and create work of David Hockney.

In Computing we will be.....

- Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs.

In Science we will be...

- Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position switches.
- Recognising symbols when representing a simple circuit.

Topic Overview

Year 6 – Autumn 1

Saltaire

In History we will be...

- Note connections, contrasts and trends over time.
- Develop the appropriate use of historical terms.
- Devise and discuss historically valid questions.
- Construct informed responses that involve thoughtful selection and organisation of relevant historical information.

In RE we will be...

- Learning about why some journeys and places are special.
- How Sikhs show commitment

In Music we will be...

- Play musical instruments with increasing accuracy, fluency, control and expression.
- Listen with attention to detail and recall sounds with increasing aural memory.
- Use and understand staff and other musical notations.

In Maths we will be...

- Read, write, order and compare numbers up to 10 000 000 and determine the value of each digit.
- Round any whole number to a required degree of accuracy.
- Use negative numbers in context, and calculate intervals across zero.
- Solve number and practical problems that involve all of the above.

Our topic will be enriched with.....

- Visit from Maria Glot and visiting Saltaire.
