Good afternoon,

It was wonderful to see so many children representing our school again this week at the cross country. We have some great runners in school. Thank you to all the families who supported their children in getting to the event.

I hope all families have heard about our exciting Christmas activities. We will be taking years 2-6 to Stump Cross Caverns and Year 1 and Early Years will be staying in school for a fabulous Christmas activity day.

I am aware that for some families there may be quite a lot of requests for payments at the moment. I would love school to be able to pay for all visits and residentials, with school funds but sadly our budget does not allow this. We always hope that visits will be able to go ahead, with sufficient contributions from parents. There may be some occasions where a visit may have to be cancelled if we do not have enough contributions.

Can I remind you that Parents Evenings will be on Monday and Tuesday next week. Please make sure you are booked in to discuss your child's progress.

We break up on Tuesday 21st October and return to school on Monday 3rd November.

Monday 3rd November is our autumn disco night so please have that in mind.

We are excited to let you know about our upcoming open days for Nursery and Reception. We have places available in nursery now and we are looking forward to showing prospective parents our school for reception places in September 2026. Please share our information about open day.
