Mrs Thirkill's Blog 13.3.26

Good afternoon,

A brief blog this week as we've been on residential. The Year 5 children have had a fantastic time. A huge thank you to all the staff who gave up their own time to ensure the residential was a success. The children have been caving, scrambling, climbing and much more. Miss Mellor was a wonderful chef, and we are very grateful that she looked after us all so well. There are lots more photos on dojo.

We also had Mr Dove visit us with his truck this week and the children loved exploring. Thank you to Mr Dove for giving his time to us.

Safeguarding

Please ensure your children are always supervised by adults when crossing the road. We teach the children about crossing the road safely, but we feel they also must be supervised.
