

Respect – Responsibility – Resilience – Kindness – Teamwork

Mrs Thirkill's Blog 20.3.26

Good afternoon,

I would like to begin my blog this week by wishing many of our families a Happy Eid. I hope everybody enjoys their celebrations with friends and family.

It's been a great week in school for many. Year 6 have been on their residential to Windermere and they have been having the most wonderful time. The staff at Windermere have commented on our children's conduct and attitudes and I feel very proud of them. Again, I would like to say a huge thank you to our staff who make these fantastic events happen. I hope all the staff involved and children have a restful weekend.

Thank you to all of the children who participated in our cross-country event this week. Another great turn out, with some excellent success for school. That was the last event of the year. Thanks to all the families who ensured their children could compete.

One of pupils will be holding a stall after school next Friday, to raise money for the dog's trust. She will be based at the front of school at 3.15, if you would like to support her and the charity.

Next Monday is our Spring disco and we look forward to seeing as many children there as possible. Please pre-pay for your ticket on ParentPay.

Safeguarding

Just a reminder to spend that quality time daily with your children. Time to check in and process any worries. If it's possible to extend that to family time, walking, playing games, reading and watching movies, we all need to be mindful how precious that time can be.

Attendance

Attendance hasn't been as good this week, after several much better weeks. Please do everything possible to avoid absence during the school term. We understand that Eid is a significant celebration for some of our families and this is marked on the register as a religious observance.
