

Respect – Responsibility - Resilience – Kindness – Teamwork

Mrs Thirkill's Blog 22.5.26

Good afternoon,

Another half term has flown by, I hope everybody has got something lovely planned for the holidays. It's been a busy half term, as they all are, and now we are stepping into our final half term of the year. We have lots of events in the summer term, including sports days and inflatables and many other things. I will get dates out to you in the first week back, after the holiday.

We are beginning to look at staffing and class lists for September and will inform parents, in the new half term about new classes and transition arrangements.

Safeguarding

Please make sure your child learns to be aware of the sun and the risks of sunburn. They should be able to apply suncream and make a choice to wear a sun hat. After the holidays we will encourage children to bring suncream with them in their bag.

Nursery Open Day

We will have our nursery open day on Wednesday 1st July. This will be a typical day in school for all our current children, but we will also welcome families in to see our nursery in action. Further details will follow.

Attendance

Overall, attendance continues to be close to 96% with an average for this half term of 96.4. Please continue to do everything you can to get your child to school every day.
